

Energy Efficiency Tax Credit for Existing Homes

Recently, the federal government increased the tax credit for qualifying purchases of insulation. By adding Nu-Wool Premium Cellulose Insulation to your home's attic or walls, you may qualify for the tax credit while also saving on energy costs. It's a win, win for you and the environment.

Qualifying for the tax credit is as simple as A-B-C!

- A. Install Nu-Wool Premium Cellulose Insulation in your home and save up to 40%* on energy costs. Find your local Nu-Wool Certified WALLSEAL dealer at www.nuwool.com.
- B. Save your receipts.
- C. Qualify for and claim a 30% tax credit on your 2009 return.

Making your home GREEN will save you GREEN with energy savings and tax credits!

Insulating your attic or walls with Nu-Wool Premium Cellulose Insulation may qualify you for a tax credit for 30% of the cost of materials for qualifying insulation projects throughout 2009 and 2010, up to a maximum of \$1,500 lifetime limit.

Complete the Nu-Wool Co., Inc. *Manufacturer's Statement*, fill it out, and take it, along with all receipts or itemized bills from your Nu-Wool Certified WALLSEAL Dealer showing the amount spent on insulation materials between January 1, 2009 and December 31, 2009, to your tax professional to the claim the credit.
